Kindle or Kindle App Downloading Library E-Books

Note: If you have a Kindle Fire, please view our Kindle Fire instructions sheet.

Register Your Kindle to Your Amazon Account:

1. Visit <http://www.amazon.com/gp/help/customer/display.html?nodeId=200798820> for help with registering a Kindle device to your Amazon account.
2. Visit http://www.amazon.com/gp/help/customer/display.html/ref=hp_ipst_pay?nodeId=200438220& for help with registering a Kindle app to your Amazon account.

Signing In: (Use a personal computer to complete this step, not your Kindle's browser or smartphone.)

1. Go to <http://nmls.lib.OverDrive.com>.
2. Click Sign In at the top of the screen and enter your library card number and PIN.

Finding an E-book:

1. Click on Advanced Search link at the top of the screen.
2. Type in the title or author or leave the space blank to browse.
3. Change the format to Kindle Book. If you would like to find a book that is checked in right now, click the Available Now button.

Checking out an E-book:

1. Once you have found a book that you would like to check out, click the book cover image. (If a title is available, it will have a darkened icon in the top right hand corner of the book cover image, otherwise you may place it on hold and receive an email message when it is your turn to check it out.)
2. On the next screen, select your lending period (7 or 21 days) and then click Borrow. Click Go to Bookshelf.
3. Click the Download button, select Kindle format, and click Confirm and Download.
4. You will be redirected to Amazon.com.
5. Log into your Amazon account with your username and password or set up an account.

Directions are continued on the back.

Kindle or Kindle App Downloading Library E-Books

Transferring to Your Kindle via Wi-Fi:

1. Log into your Amazon account with your username and password or set up an account.
2. Select which Kindle device or app you would like the e-book delivered to and click the Get Library Book button.

If you are connected to Wi-Fi, the book is now on your Kindle. If it doesn't appear, sync your Kindle by going to your Kindle's Library Screen, selecting Menu, then selecting Sync.

Transfer to Your Kindle from Computer with a USB cable: (Use with Kindles that do not have Wi-Fi or for e-books from certain publishers.)

1. Log into your Amazon account with your username and password or set up an account.
2. You will be prompted to Save the book file (note where the file will be saved to on your computer).
3. Connect Kindle to the computer with a USB cable.
 - a. Your Kindle will appear as a Kindle Drive (Windows under "My Computer", Macs on the desktop).
 - b. Open Kindle Drive. Find the folder for Documents. Your title will be moved into this folder.
 - c. Locate your title on your computer and drag it into the Documents folder.
4. Safely eject your Kindle and unplug it from your computer.

For more downloading instructions, visit www.amazon.com/kindletransfer.

Also, due to publisher restrictions, some titles may only be transferred to Kindle devices via USB (not over Wi-Fi) and are not accessible on Kindle apps.

Returning Your Kindle E-book Early (after downloading the title):

Your e-book will be automatically returned to the library's collection when your lending period expires.

1. To return the e-book early and/or delete it from your Kindle, visit www.amazon.com/manageyourkindle.
2. Log into your Amazon account.
3. Click on the Actions button next to the book title. Select the action you want from the list.
